No Suggestion

Interact with students more friendly

We want extra courses for our skill development

Take project oriented classes

increase interactive sessions

Teaching in understanding language, Teaching with real time example

1. Interactive and Practical Learning 2. Use of Technology in Teaching 3. Personalized Mentoring and Feedback

It is much better when teachers give hands on practice to us.

1. Formal dress code for everyday need to reconsider, 2. Good Environment to Learn, 3. Good

project based learning teaching method to give and no one credit course to learn . Learn by building something that matters to you, with a community, not for a grade.

1. Encouraging Interactive Learning 2. Enhancing Teaching with Technology 3. Strengthening Mentorship and Guidance

nill

Use practical application in class times

Very Good

Excellent

Improve wifi connection everywhere

Improve practical learning

1.Want to explain concept with real time examples. 2.explain deeply about the problematic sums.

Reduce the class period timing to 45 minutes or 50 minutes, we want easy method to teach with us

Good

Extra curricular activities,sports,reduce extra coaching class

Include more project-based learning, workshops, and industry interactions to connect theory with real-world applications

It always good but upgrade for innovation to learning lot to be more experience for college

Want one P.T period in every week

Skill development focus,technology integration, industry exposures

Excellent

Integrate more group projects and hands-on activities to promote active and practical learning. Enhance the use of digital tools and online resources to create a modern and accessible learning environment. Establish stronger teacher-student mentorship programs to provide better academic and personal guidance

Teaching and extra Curricular Activities are good
